Halloween celebrations might look different in much of the country this year, but kids can still partake in some spooky fun. Costumes are often the most anticipated part of the holiday, and they can be enjoyed no matter your plans.

If you want to venture outside, your mini Elsa or Spiderman will need a mask. The 15 below mesh perfectly with some of this year's most popular characters, as well as classic costumes, making safety precautions more seamless than ever.

Disclaimer: The CDC does not recommend wearing a mask underneath a costume mask because it can be dangerous if the costume mask makes it hard to breathe. It also recommends not using a costume mask as a substitute for a cloth mask unless it is made of two or more layers of breathable fabric that covers your mouth and nose and doesn't leave gaps around your face.

Butterfly

This adorable set includes a butterfly wing shawl with a matching cloth face mask that fits most girls ages 2 to 7. Elastic loops make the shawl sit comfortably around her shoulders and wrists, so she can flap her wings all night long.

Jack-o-Lantern

Available in burnt orange or a brighter red color, this mask blends effortlessly with an orange and green outfit or a full-blown pumpkin suit.

Spiderman

There are five superheroes your child can choose from, so you really can't go wrong. Replace the face mask on your favorite Spiderman bodysuit with this mask to complete the look.

Ninja

A black kids mask blends in perfectly under the loose veil on this ninja costume for girls. The set even comes with "boot tops" to pull everything together.

Silly Animal

From goofy fox to smiling cheetah, or everyone's favorite—the classic dog—every kid can get in on the fun with this set. Throw this mask on with a fuzzy canine suit for optimal cuteness.

Skeleton

For your minimal effort kiddo or your scary tween, this unisex mask and shirt set provides comfort and protection. For a fuller look, add this beanie and glove set.

Witch

Good for any age, this mask turns any kiddo into a green-faced witch, no face paint or red lipstick necessary. Add a witch dress and hat to complete the ensemble.

Black Panther

This soft polyester mask is durable and protects skin from up to UPF 50+ UV, so your Wakandan King can wear it no matter where the festivities take place.

Power Ranger

Comfy and breathable, this face mask can be added to this hooded costume for an adorable, COVID-friendly style.

Unicorn

If you've got big trick-or-treating plans this year, feel comfortable with this anti-fog face shield and two-layer mask set. Pair it with a matching unicorn dress and wing set for a whimsical ensemble.

Mandalorian

The force is strong with this Mandalorian mask. Add it to a light-up jumpsuit and cape set for a head-turning outfit.

Devil

This cozy fleece balaclava comes complete with an adjustable buckle, great for making even the fussiest kids comfy. They might even hit the slopes with this hood this winter.

Sonic the Hedgehog

The classic blue Sega character is on the go this Halloween. Add this to a puffy Sonic suit and your little hedgehog will be unstoppable.

Disney *Frozen's* Elsa

Choose from purple, pink, blue and more for this Elsa mask. If she doesn't already have one, pair it with a snow queen dress. She'll never let it go.

Baby Shark

Perfect for toddlers through kids age 12, this cotton-lined mask leaves no gaps and is completely machine-washable. Add it to a plush baby shark costume for colorful, aquatic fun.
